Minutes of the Meeting of

THE JOINT INTELLIGENCE STUDY PUBLISHING BOARD

Room 3645, Navy Building
June 11, 1943

Present: Commander Bailey (Navy Representative),
Chairman.

Major Kountz (Army Representative)
[REDACTED] (OSS Representative).

The space problem was discussed. Major Kountz reported space is not available for the Board in the Joint Chiefs of Staff Building, the Federal Reserve Building, or the New War Department Building. Space would be available in the Munitions Building, Temporary M. Building, or the Pentagon Building. The Board agreed on the Munitions Building as the best location and Major Kountz will check on space available to the Board there.

The priority list of studies, prepared by OPD and coordinated with the Future Plans Section of the Navy Department and the Joint War Plans Committee, was discussed. Commander Bailey will present the list to Admiral Train today for his approval.

The Board agreed to meet every morning at 9:30 in Room 3645, Navy Building, until further notice.

Respectfully submitted,
